Sixth Annual Outer Banks Marathon Show Your Town Spirit

The Sixth Annual Outer Banks Marathon, Half Marathon, Fun Run, and associated events will be held Friday, November 11th through Sunday, November 13th. The event promises to bring a large number of runners and their families from all over the country and world to the Outer Banks. The Town of Kitty Hawk is honored to serve as the starting point for the Outer Banks Marathon.

We need your help in demonstrating our Town pride. Each Town and/or area in Dare County has been designated with a marathon color. The Town of Kitty Hawk has been assigned the color green and the overall marathon has a pirate theme. Show your marathon pride by using this theme along with the color green.

Green themed decorations will be available for pick up at Town Hall, Wednesday and Thursday November 9th and 10th between the hours of 8:30 am and 5:00 pm. The Town will also be decorating along the route. We hope that you will participate and show your Kitty Hawk pride.

Road Closures Due to Marathon

The Marathon will begin near the entrance to Dominion Power on The Woods Road at approximately 7:20 a.m. Due to the number of runners, the Kitty Hawk Police Department will shut down The Woods Road from the US 158 intersection to the Kitty Hawk Pocket Park just south of Dominion Power at 5:00 a.m.

To begin the race, runners will travel south on The Woods Road (Dominion Power) to Twiford Street. Once the runners reach Twiford Street they will follow Twiford Street to West Kitty Hawk Road. Runners will then turn east onto West Kitty Hawk Road and continue down West Kitty Hawk Road to Moore Shore Road. Runners will then travel on Moore Shore Road and the Wright Brothers Multi-Use Path. Runners will then take Windgrass Circle to Tateway Road and then exit Kitty Hawk onto Bay Drive in Kill Devil Hills.

Twiford Street, Kitty Hawk Road and all connecting streets from Twiford Street to Moore Shore Road will be closed at approximately 7:10 am. Windgrass Circle and Tateway Drive from Windgrass Circle to Bay Drive will be closed at approximately 7:20 am. All roads will reopen as the marathon progresses through the Town. If you have any questions on street closures please call the Kitty Hawk Police Department at 261-3895.

Town Council To Meet Monday, November 7, 2011

The next Town Council meeting will be held at 6:00 pm at Town Hall, 101 Veterans Memorial Drive. The public is encouraged to attend. The following items are on the agenda:

A **Public Hearing** will be held to consider a conditional use permit to establish a motor vehicles service and repair business in a beach commercial district in Units I & J of the existing Quail Run business center at 500 Sand Dune Drive. The proposed use would include the service and repair of vehicles for the applicant's business and the general public.

Call to schedule a Public Hearing on December 5, 2011 to discuss lengthening the amount of time that a temporary sign or banner can be used to two 50-day periods per calendar year.

New Business will include:

- ◆ Discussion on an ordinance to prevent the obstruction of fire hydrants and fire department connections
- ◆ Discussion of shoreline improvements at Windgrass Circle
- ◆ Determine date for workshop on Storm Drainage Study

CONSTRUCTION BEGINS ON SANDY RUN PARK PHASE II

A notice to proceed has been issued to Waldt Construction to begin the second phase of the Sandy Run Park Project. Construction began on October 24th and is expected to continue to sometime in January of 2012. The project will include the looping of the existing boardwalk utilizing wooden walkways and gravel paths, constructing gazebos and kayak/canoe tie ups, constructing a fishing pier, constructing an observation tower, and adding benches and pic-nic tables. The park will not be closed during construction, however portions of the boardwalk may be closed due to access by the contractor. The looping of the boardwalk will definitely add a new dimension to the park and will provide for a more enjoyable facility once completed.

HURRICANE SURVIVORS HAVE MORE TIME TO GET ASSISTANCE

The New Deadline to register for state and federal disaster assistance is November 30th.

There are a number of state and federal programs to help those with hurricane-related losses repair their homes, replace damaged property and find a place to live while waiting to move back home.

People in the 38 designated counties must register with FEMA to get disaster assistance. You can register with FEMA by calling 800-621-3362 or going online to www.DisasterAssistance.gov. You can also register with a tablet or smartphone at m.fema.gov.

Applying for help from the American Red Cross or other volunteer organization is not the same as registering with FEMA.

FEMA grants may pay rent for a temporary place to live while work is being done on your home. FEMA disaster assistance may pay for losses not covered by insurance. Most insurance policies, for example will not pay to repair a hurricane-damaged well or septic system.

Disaster assistance grants do not affect eligibility for Social security, food stamps or other government assistance programs.

Kitty Hawk Police Department's Residence Check Service Offers Peace of Mind When You are Out Of Town

If you are planning to leave town for the holidays, please be sure to call the Kitty Hawk Police Department to be placed on our Residence Check List. While you are gone, your residence will be checked twice a day to make sure everything is secure. All you have to do is to stop by or call the Police Department and provide a small amount of information and you will be set. Last year the Department performed 1275 residence checks while citizens were enjoying their vacation. You can reach the Police Department at 261-3895.

“Smoke Alarms: A Sound You Can Live With”

Save a Life

On November 6, the nation will change its clocks from Daylight Savings. Please use that as a reminder to change the batteries in your smoke alarms as well. Sometimes saving a life can be that simple—Change Your Clock, Change Your Battery. You should also make a fire escape plan and spread the word for your friends to change their smoke detector batteries.

If you require assistance in replacing the batteries in your smoke detector/s, please contact the Kitty Hawk Fire Department, 261-2666.
